

Halloween Sock Hop 5K

Sunday, October 26, 2008

It was an absolutely beautiful day in Canyon Lake for the 2008 Halloween Sock Hop.....minus the 50mph-60mph winds. The temperature struggled to get into the 40's all day which left all the volunteers and participants to deal with windchills probably somewhere in the 20's. Needless to say it was a hardy bunch numbering over 50 that braved the elements on a breezy South Dakota afternoon to run a few miles. See what happens when you let a weather guy run the show, however, we showed up to run and not whine about the weather. The course took on a slight twist this year since the gates to Canyon Lake were locked. The course remained the same as years past with the only changes being the start/finish line and a minor detour around the main gate. Riley Coates held off a surging Tony Smorangiewicz to finish first overall with a time of 19:55. Jessica Brandle was the first overall female with a time of 25:07 with Joanna Fromm not too far behind at 25:17.
